LIAISON Received a call from

Julie Romero, House Permanent Select Committee on Intelligence staff, for Dick Giza, also of the Committee staff. Romero said Giza wanted to have a session next week on DDS&T in-house evaluations. She also informed me that Representative Charles Rose (D., N. Car.) wanted to visit the Agency on the morning of 9 February for a briefing on OTS or NPIC. I told Romero I would be in touch with Dick Giza on Monday morning to work out the details.
